Seminar 2026

Dear Friends,

We are happy to announce that this year's annual seminar and gathering will be held in the Asheville area of the mystical Blue Ridge Mountains in North Carolina. May 25 through May 29, 2026. (Arrive on the 24th and leave on the 30th).

The seminar will be focused on Daskalos' teaching of the **Five Golden Keys**. Keys are used to open doors that lead to someplace. These essential keys open the doors leading to higher states of consciousness called the Kingdom of the Heavens in us. These havens are not just within our personality but in our Divine Nature.

"There is only one royal way. The Golden Keys that I am giving you, which are your own inner Spirit-Soul nature. So, it is not impossible. Difficult? Of course, if you have suggestions of your egoism all the time, it is difficult. But when you decide to hear your inner voice as a Spirit-Soul-Self, it is very easy." ~ Daskalos

Teaching on the Five Golden Keys will be provided by Daniel.

Meditation on the Five Golden Keys will be provided by AKI.

Teachings & Meditations will also be associated with tangible experiences with LightEn practitioners.

Thanks to the angels of LightEn at the Center for Consciousness and Action we will hold this year's seminar in their brand new, world-class, state-of-the-art Spiritual School.

The school is located at Marshall North Carolina on 400 acres with nature trails, steam bath, sauna, cold plunge tub, outdoor hot tubs, yoga facility, sound healing room and multiple body work rooms for your use.

This event will be all-inclusive where

you will stay on-site in tiny houses sprinkled throughout the property, each with its own private bathroom and a king-size bed.

All food and drinks are provided consisting of fresh organic healthy (and very tasty) meals in the school's dining room.
